Proven Pedigree

Exiting with a bang...

A young man with an unrelenting will to succeed, Matty begins his career on the Challenge Tour and EuroPro Tour having proven himself as a natural low scoring talent.

His standout performance at the Walker Cup 2021 coupled with outstanding achievements as an elite amateur representing England Golf and Golfing4Life demonstrate his undoubted potential.

Matty achieved the status of top points scorer for GB&I in the Walker Cup, and for England in the Home Internationals and European Team Championships. Holding the scoring record at the Hampshire Hog and for the back nine at St Andrews across both professionals and amateurs, Lamb boasts a complete golfing resume and is an individual destined for future success.

WE ARE

WE'RE HERE TO
MAKE SURE NO
YOUNG PERSON FACES
CANCER ALONE.

A committed ambassador

Dedicated to supporting charitable causes

Fully appreciative of the position that he finds himself in, Matty takes pride in the ambassadorial role that he holds within numerous national and local charities and organisations.

Matty shares the same ethos to that of Trifold Sports, with a key focus and a commitment to those that are less fortunate, and along with his colleagues at Team Trifold supports the Teenage Cancer Trust.

His unique maturity and understanding of the importance of providing developmental opportunities for young people is evidenced through his work with the Northern Junior Golf Tour.

Looking to the future.

Excited for the next chapter and the team around him...

Matty sat down with Sky Sports & PGA EuroPro presenter, Kit Alexander to reflect on a memorable finish to his amateur career at the Walker Cup in Seminole. Turning professional having finished as GB&I top points scorer and with a list of amateur achievements to match, Matty speaks about how he feels his past experiences will help him make the next step in the professional game.

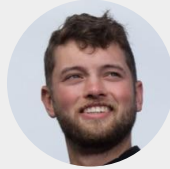

Highlighting the support that he is provided by Trifold and the unique team environment the company offers, Matty also discussed how it felt to be surrounded by familiar faces, and his aspirations for the future.

Matty Lamb

PROFESSIONAL / AGE 23 / [@MATTYLAMB](#)

An outstanding talent and an outstanding young man.

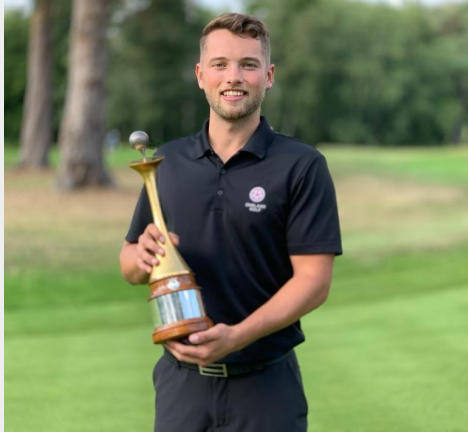

Matty Lamb has consistently outperformed his peers at the highest level of elite amateur golf since his breakthrough in 2012.

One of the finest potentials in Europe, Lamb has an ability to maintain consistency and a unique low-scoring record, traits that are evidenced in a distinguished resumé that includes over 50 appearances for his country.

An England captain with a complete respect for everyone and everything around him. He reached the pinnacle of the amateur game, representing GB&I and was the top point scorer, at the Walker Cup 2021.
